

Mortgage Terms of Business

These Terms of Business set out the Mortgage services that we'll provide you.

Our services

We only offer mortgages from Skipton Building Society in England, Wales and Scotland and only lend on properties where we have the first legal mortgage also known as 'the first charge'. There's no charge for our advice service.

You'll receive a personalised Mortgage Illustration that will detail any fees payable on the mortgage you've applied for, such as application fees, and whether you've asked to add these to the loan.

Residential mortgages secured against your home

We'll provide advice and recommend a mortgage for you after we've assessed your needs and affordability.

'Consent to Let' and Consumer Buy to Let Mortgages

We'll provide advice and recommend a mortgage for you after we've assessed your needs and affordability. (Please Note: Due to the Armed Forces Covenant we do not offer advice on Consent to Let to members of the Armed Forces).

We can't offer advice on whether Consent to Let and Consumer Buy to Let is the right form of investment for you, how you meet your obligations to your tenants or the tax implications that might apply to this type of investment.

Our advice is limited to recommending a suitable mortgage product and providing information to help you choose an appropriate repayment method and mortgage term.

It's important that you fully understand the risk and consequences of becoming a private landlord as well as the potential rewards. Independent financial, legal and tax advisers may provide advice on the decision to acquire residential property for letting. The following recognised landlord bodies can help you understand your responsibilities:

- The National Landlords Association (NLA) landlords.org.uk
- The Residential Landlords Association (RLA) rla.org.uk
- The Association of Residential Letting Agents (ARLA) arla.co.uk

Help to Buy and Shared Ownership Scheme

We can't provide advice on whether a Help to Buy or Shared Ownership Scheme is right for you, but we can provide advice and a recommendation on your mortgage product, term and repayment type.

Alternative finance options

There might be other finance options that are more appropriate for your circumstances. In particular where you're increasing your borrowing, you may wish to consider:

- Additional secured borrowing such as 'Second charge loans'.
- Unsecured borrowing.
- Additional borrowing from your existing mortgage lender.

We can't assess the suitability of or offer advice on any other finance options, including equity loan schemes.
