IMPORTANT INFORMATION ABOUT OUR INSURANCE SERVICES

This document contains key information that you should consider before applying for any insurance services offered by us. You should read it carefully and keep a copy for your future reference.

Our services

Skipton acts as an insurance intermediary on our customers' behalf to make an introduction to Fairmead Insurance Limited, part of the Liverpool Victoria General Insurance Group for Home Insurance and Landlords Insurance, and AIG Life Limited (AIG) for Life Insurance and Critical Illness Cover. Skipton also offer health insurance, which is sold by Skipton Building Society and provided by Bupa Insurance Limited.

We will provide you with information only and you will not receive any advice from us, Fairmead Insurance Limited, AIG or Bupa, although we may all ask you some questions to find out if any of the products offered may be suitable for your needs. You must then make your own choice about how to proceed.

If you're arranging a mortgage through Skipton, it's not a condition of your mortgage that you take out insurance through Fairmead Insurance Limited and/or AIG. Skipton is acting in a purely intermediary capacity and has no direct or indirect holding in the Fairmead Insurance Limited or AIG group of companies or Bupa Insurance Limited, and we can only offer insurance products from Fairmead Insurance Limited and/or AIG and/or Bupa.

Insurance cover demands and needs

Home insurance products meet the needs of those who wish to protect their home and/or its contents. The Life and Critical Illness products meet the needs of those who wish to receive a lump sum benefit if death occurs during the length of the plan, and/or if a terminal illness or a critical illness is diagnosed during the term of the plan that meets AIG's definitions. Health Insurance meets the needs of customers who wish to cover the costs of private healthcare, from diagnosis to treatment.

Skipton Building Society and our insurance partners will provide information to help you decide whether the insurance they offer meets your needs.

Fees and Commission

No fee is payable for our service. Should you decide to proceed with home or life insurance, Fairmead Insurance Limited and/or AIG will confirm any payments that may become due over the lifetime of the policy, such as those for midterm adjustments, administration fees and cancellation fees. For Health Insurance, Skipton Building Society will confirm any payments that may become due over the lifetime of the policy.

For every insurance policy sold or renewed, Skipton Building Society will receive commission from Fairmead Insurance Limited and/or AIG and/or Bupa for the duration of the policy, which is built into the overall cost of the insurance premium.

If following your appointment with a Skipton Mortgage Adviser you proceed with an insurance referral to AIG, for Life Insurance or Critical Illness Cover, the Skipton Adviser may receive a reward voucher. The cost of this voucher is provided at Skipton's discretion as part of its wider colleague reward scheme and is not built into the cost of any insurance premium, nor does it come at any cost to the customer who is being referred to AIG.
