<b>How do I open and manage my account?</b>	This account is available to UK residents aged 16 or over and can only be opened and managed online. ## Important information about ISAs

### How much can I save in a Cash ISA?

- The government currently sets a tax-free allowance that you can save in an Individual Savings Account (ISA) each tax year (6 April – 5 April). The allowance is £20,000 for the 2021/2022 tax year.
- You can split your ISA allowance however you like between a Cash ISA, a Stocks and Shares ISA, an Innovative Finance ISA and a Lifetime ISA (if you are eligible. Maximum subscription £4,000 in the year 2021/2022), as long as you don't subscribe to more than one of each type in the same tax year and don't go over the maximum overall limit.

Here are some examples of how you could do this:

Example	Cash ISA	Stocks and Shares ISA	Innovative Finance ISA	Lifetime ISA	Total
1	Nil	£20,000	Nil	Nil	£20,000
2	£8,000	£6,000	£6,000	Nil	£20,000
3	£20,000	Nil	Nil	Nil	£20,000
4	£5,000	£11,000	Nil	£4,000	£20,000

### Can I transfer my Skipton Cash ISA to another provider?

We'd love you to stay with us and if there's anything you're not happy about, we're here to help. However, you can transfer your Skipton Cash ISA to another ISA provider, subject to the terms of your account.

If you wish to transfer your account to another ISA provider, please contact your new provider. On receipt of a transfer instruction from them, we'll transfer your account within a time stipulated by you or five working days, whichever is longer, and your savings will remain tax-free (providing the transfer is in accordance with ISA Regulations).

If you transfer your current tax year's savings from a Cash ISA to a different type of ISA, the money transferred will be treated as if you had put that money directly in that ISA. For example, if you'd saved £4,000 in a Cash ISA and then transferred to a Stocks and Shares ISA, you could then invest the rest of your £16,000 as you like into a Cash ISA, an Innovative Finance ISA, a Lifetime ISA (if eligible, subject to the maximum annual subscription limits) and/or the Stocks and Shares ISA.

You can transfer previous years' Cash ISAs into a Stocks and Shares ISA, an Innovative Finance ISA and/or another Cash ISA without affecting your annual ISA allowance (subject to the specific account terms and conditions of the new ISA).

You can also transfer previous tax years' savings from a Cash ISA to a Lifetime ISA. The value transferred to the Lifetime ISA will count towards the annual £4,000 Lifetime ISA allowance, but not the overall ISA subscription limit for the tax year.

### Can I cancel my account?

You have 14 days from account opening to change your mind. You can cancel your account by letting us know during this period and your cancelled ISA won't count as an ISA subscription. Any interest that you've earned during this period will be paid gross, which means no tax is deducted. It's your responsibility to pay any tax due, based on your individual circumstances.

### What if I'm new to Skipton?

If you're not an existing customer of the Society, we will require your National Insurance number, confirmation of address and some form of identification to open the account. If you're 18 or over and on the electoral roll for your current address we may be able to verify your identification electronically. Otherwise, you'll need to provide us with proof of ID as set out in our 'Proving your Identity' document or at [skipton.co.uk/identity](https://skipton.co.uk/identity).

The Financial Conduct Authority is a financial services regulator. It requires us, Skipton Building Society, to give you this important information to help you decide whether our **15 Month** Online Fixed Rate Cash ISA is right for you. You should read this document carefully so that you understand what you are buying and then keep it safe for future reference.

**1.0 What terms apply?**

1.1 This document must be read with our Savings Account Terms and Conditions (which apply to all our savings accounts and are available on request or from our website). Before opening an account, we strongly advise for your own benefit and protection that you read all of the terms and conditions as you will be legally bound by them and we intend to rely on them. If you don't understand any point, please ask for further information.

**2.0 Operation of the account**

- 2.1 If you are not a UK resident, you may still be able to open this account if you meet the government's ISA requirements. Please see the ISA Declaration on our application form for more details.
- 2.2 The account must be in your own name and not be held for the benefit of anyone else, including being used as security for a loan.
- 2.3 We will operate the account in accordance with government legislation and HMRC regulations and guidance.
- 2.4 If you breach the ISA Regulations or become bankrupt, we may have to void your account. If this happens, we will notify you. You may then have to pay tax on the interest earned.
- 2.5 We will satisfy ourselves that anyone we delegate our functions and responsibilities to under the terms agreed is competent to carry them out.
- 2.6 In the event of death, interest due up to the date of death will be paid into the account. The account will transfer to a new easy access Cash ISA, which can be managed in branch or by post, from the date of death and will be dealt with in accordance with HMRC regulations and guidance. If this happens, we'll advise your personal representatives of the new rate and terms of the account.
- 2.7 You must complete the online application including declaration before the product is withdrawn from sale.
- 2.8 The account opening date is the date that we receive your first payment.
- 2.9 No Certificate of Investment will be issued for this account. If you cease to be eligible for an online account, we will change your account to a suitable alternative account.
- 2.10 Any electronic payment statements or annual statements will only be provided/available online.
- 2.11 The first payment into the account can be made by debit card, transferred from another non-ISA Skipton account or electronic payment (but not Direct Debit) from another UK bank or building society. After that, you can also pay in by cash (in branch only and we'll need to see some photographic ID for the first cash payment) or by cheque (in branch or by post).
- 2.12 Payments into your account by internal transfer from another online Skipton non isa account are subject to the terms and conditions of that account and in particular any notice period or restrictions on withdrawals. Please contact us if you want to transfer from a non-online Skipton non isa account.
- 2.13 If you don't make any payments into this account for an entire tax year, the next time you try to pay into it in a new tax year, HMRC rules mean that you'll need to complete an ISA revalidation. If you don't, and you send an electronic payment to this account, we may return the payment to the account it came from and the payment will not count as an ISA subscription.

**3.0 Savings account limits**

- 3.1 The maximum balance can only be exceeded with any interest added to your account.
- 3.2 Electronic payments which don't comply with the minimum and maximum limits will be returned to their source automatically.
- 3.3 Where you don't invest your full ISA allowance and the ISA becomes withdrawn from sale, the only way you'll be able to use the rest of your allowance in a Cash ISA will be to transfer your fixed rate Cash ISA to another Cash ISA with us or another provider. If you do this, you'll have to pay an interest penalty, as explained in the summary box.
- 3.4 The maximum amount any one saver can hold across all of their Skipton savings accounts (for example, fixed and variable rates, including Cash ISAs), is £5 million. If any of your accounts is a joint account, the total balance held within it will be treated as if it is split equally between each of the account holders for this purpose only. For example, if you are one of three account holders on a joint account containing £9 million, £3 million of that will count towards your personal limit, meaning you can save up to £2 million in any other Skipton savings account(s). This limit can only be exceeded with any interest added to your account(s).

**4.0 Withdrawals**

- 4.1 Early closure is subject to an interest penalty, except on receipt of satisfactory evidence in respect of the following:
- terminal or critical illness of you or an immediate member of your family
  - bankruptcy (by the Trustee in Bankruptcy).
- 4.2 If you instruct us to close your account, all of the money in your account, together with interest earned, will be paid to you within the time stipulated by you or within five days of receiving your request, whichever is the longer. If you close your Cash ISA, you'll lose your tax-free benefits for previous or current years' ISA allowances, whichever apply at the time of closure. You won't be able to replace the amount withdrawn in the future.
- 4.3 Full balance withdrawals can be made without notice by:
- electronic payment (including CHAPS but not Direct Debit) to up to two nominated UK bank or building society accounts in your name. There is a fee of £6 if you request a CHAPS payment. For security purposes, if you wish to withdraw more than £50,000 per day from your account online (including on closure) via faster payments, you will need to confirm your authorisation. To do this, you must contact Skipton Direct on 0345 850 1722 within five days of your online withdrawal request
  - ISA transfer to another provider
  - transfer to another Skipton account in your name (subject to the terms and conditions of that account).

**5.0 Payment of interest to another account**

- 5.1 Interest can be paid into another suitable Skipton account or any other UK building society or bank account. In that case, interest will be paid on the first working day following the date interest is due. Working days exclude Saturdays, Sundays and bank holidays.

**6.0 Non payment accounts**

- 6.1 This account is a savings account and must not be used for multiple monthly transactions like a current account. It is not a payment account for the purposes of the Payment Services Regulations 2017.

**7.0 Membership rights and the Society's Rules**

7.1 This account is a share account, which confers membership rights and is subject to the Rules of the Society. You can get copies of the Rules from our website, from any branch or from our principal office.

**8.0 Maturity of your 15 Month Online Fixed Rate Cash ISA**

8.1 We'll write to you at least 14 days before maturity to explain the options open to you. You can choose to:

- continue to save in a new 1 year online fixed rate Cash ISA (the '**do-nothing**' option)
- transfer your savings to a different fixed rate Cash ISA
- transfer your savings to an easy access Cash ISA
- add extra savings into the above three options
- withdraw some or all of your money by:
  - electronic payment (including CHAPS but not Direct Debit) to up to two nominated UK bank or building society accounts in your name. There is a fee of £6 if you request a CHAPS payment
  - transfer to another Skipton account in your name (subject to the terms and conditions of that account)
  - transfer in full to another ISA provider.

If you '**do-nothing**', we'll add any interest due to your account and your savings will automatically transfer into a new 1 year online fixed rate Cash ISA, which will have the same restrictions on withdrawals. We'll then send you confirmation of your new account within seven days of your fixed rate Cash ISA maturity. You'll have 21 days from maturity to change your mind and close the account.

If the '**do-nothing**' option applies, the further terms and conditions will still apply, as well as our Savings Account Terms and Conditions, although the interest rate, the date that interest will be applied to your account and the minimum and maximum amounts you can save might be different. If your account balance at maturity is above or below the minimum or maximum amounts, you'll still be able to continue your existing investment, but any new transactions will be subject to these limits.
