Section 6: Agreements and Declarations

Agreement to assign windfalls to charity

Note: This Agreement does not apply to you if:

- (i) you have held shares in the Society (other than permanent interest bearing shares) at all times since 29th February 2000 or
- (ii) you have already entered into an agreement in either the same or similar terms with the Society and have held shares in the Society (other than permanent interest bearing shares) continuously since the date the account for which you were then applying was opened or
- (iii) you are, in respect of the account for which you are now applying, in one of the other groups of people that the Society has decided should be exempt†.

Where more than one of you is signing this form, the above Note and, if applicable, the rest of this Agreement apply to each of you separately.

1. I agree with the Society that I will assign to the **selected charity** my right to receive any **windfall benefits**. I authorise the Society and any **successor** to pass any **windfall benefits** direct to the **selected charity** (or to any other registered charity which the **selected charity** may nominate) without giving any notice to me. I understand that the **selected charity** will have the benefit of this Agreement, and that neither it nor the Society will release me from it or vary its terms, even if the Society decides at some stage in the future that new shareholding members generally will not be required to enter into similar agreements. I authorise the Society to give the **selected charity** any information about me and any account that I have with the Society (either now or in the future) but only if the **selected charity** reasonably needs it for any purpose arising out of this Agreement. I understand that if the Society no longer exists following a merger with another building society, this Agreement will still apply between me and the other society.
2. In this Agreement:
 - (a) "**selected charity**" means the Skipton Building Society Charitable Foundation or, if it ceases to be registered as a charity, any other registered charity selected by it;
 - (b) "**windfall benefits**" means any benefits which I may become entitled to as a shareholding member of the Society under the terms of any future transfer of the Society's business to a **successor** (i.e. on a conversion or take-over), where the transfer to the **successor** is publicly announced within five years of the day on which I become a holder (either sole or joint) of the account for which I am now applying (or such shorter period as applies to me if I am in one of the groups of people that the Society has decided do not need to agree to the usual five year period*). The expression "**windfall benefits**" does not include either (i) the right to have savings in a share account with the Society replaced by savings in a deposit account with the **successor** or (ii) if I am in one of the groups of people that the Society has decided may keep some or all benefits†, those benefits which the Society has decided I may keep; and
 - (c) "**successor**" means any company or other corporate body to which the Society transfers its business under Section 97 of the Building Societies Act 1986 (or under any provision which amends or replaces it).

†Details of these groups and (where applicable) the shorter periods that apply and the benefits that may be kept are available from the Society. The number and composition of the groups may be changed from time to time but no change will apply retrospectively.
