# Legacy Cash ISA (Issue 19)

## Account Terms and Conditions

SKIPTON BUILDING SOCIETY Since 1853

keyfacts®

### This account might be right for you if:

- your spouse or civil partner had savings in ISAs and either died in the last three years, or if earlier, it's less than 180 days since the administration of their estate was completed
- you want to keep any tax-free entitlements your spouse or civil partner built up, known as an Additional Permitted Subscription (APS)
- you would like easy access to your money.

### This account will not be right for you if:

- you want to transfer in your own ISA savings
- you want to pay in your own ISA allowance for the current tax year
- you've already placed your APS allowance with another provider
- want to open and manage your account online.

APS rules allow the APS allowance value to reflect **either** the balance as at the date of death **or** the earlier of one of the following events: completion of estate administration; account closure; three years from the date of death.

Where multiple ISAs are held with the same ISA provider, the same date must be used for the calculation of the APS; it can't be calculated on a combination of the balance at the date of death for some ISAs and the balance at the time of one of three events listed above for others.

You can choose which date to use for the calculation of your APS allowance. If you choose to use the balance as at the date of Death, you cannot later ask for the APS to be calculated on one of the three events above.

It will count towards your APS allowance but not your current tax year ISA allowance.<br>• Joint accounts aren't allowed. |

You don't need to give us notice and there are no penalties.<br>• This account is flexible, so you can withdraw money and put it back without affecting your APS allowance, as long as it's done in the same tax year and the account is still open.<br>• If you withdraw by electronic payment, this must be to a UK bank or building society account in your name. We won't make an electronic payment to any other type of account. |
| **Additional information** | • The AER shows what the interest rate would be if interest was paid and added each year.<br>• All ISA interest is paid tax-free, which means it's exempt from income tax. Tax rules may change in future.<br>• Accounts can be withdrawn from sale at any time and without notice. |

**Please make sure you read the account's further terms and conditions.**

The agreement for your savings account is made up of these terms and the Savings Account Terms and Conditions.

Before opening your savings account, we strongly advise for your own benefit and protection that you read all the terms and conditions, including our Savings Account Terms and Conditions (which are available on request or via our website). This is because you'll be legally bound by them, and we intend to rely on them. If you don't understand any point, please ask for further information.

## Important information about our Legacy Cash ISA

The Financial Conduct Authority is a financial services regulator. It requires us, Skipton Building Society, to give you important information to help you decide whether our Legacy Cash ISA is right for you. You should read this document carefully so that you understand what you are buying, and then keep it safe for future reference.

### How to use your Additional Permitted Subscription (APS) with Skipton

- Your APS allowance can be kept with the ISA provider your spouse or civil partner's ISA is with or moved to another provider. But you can only do this once and only if you haven't used any of it already, so you need to ensure you choose what's right for you. Once you've made a payment to the Legacy Cash ISA you won't be able to transfer your APS allowance to another ISA provider. If you want to transfer the money you have paid into a Legacy Cash ISA, you can do, see 'Can I transfer my Legacy Cash ISA to another provider and stay tax-free?'

### How to open a Legacy Cash ISA

- To get you started, simply ask in branch, over the phone or visit skipton.co.uk/savings/additional-permitted-subscriptions for:
  - a Legacy Cash ISA application form and
  - an Additional Permitted Subscription Transfer Authority Form.

  You'll need one for each existing provider.
- Once we've received the relevant forms, we'll write to let you know that you can then pay money into your Legacy Cash ISA.

### Can I transfer my Legacy Cash ISA to another provider and stay tax-free?

- Yes, you can transfer the money from your Skipton Legacy Cash ISA to another ISA provider.
- If you close or transfer your Legacy Cash ISA before you've used your full APS allowance, you can still use the rest of your allowance. You can only do this by opening another Legacy Cash ISA with us within three years from the date of your spouse or civil partner's death or 180 days after completion of administration of the estate, whichever is longest. The rules for ISA transfers are as follows:
  - if you wish to transfer the account to another ISA provider, please contact your new provider. On receipt of a transfer instruction from them, we'll transfer the account within a time stipulated by you or five business days, whichever is longer, and your savings will remain tax-free (providing the transfer is in accordance with ISA Regulations)
  - you can transfer previous years' Cash ISAs savings into a Stocks and Shares ISA, an Innovative Finance ISA and/or another Cash ISA without affecting your annual ISA allowance (subject to the specific account terms and conditions of the new ISA). All APS subscriptions are treated as previous years' allowances
  - you can also transfer previous tax years' savings from a Cash ISA to a Lifetime ISA. The value transferred to the Lifetime ISA will count towards the £4,000 Lifetime ISA allowance, but not the overall ISA allowance for the tax year.

### How do flexible ISA withdrawals work?

- This is a flexible Cash ISA, which means you can withdraw money and pay it back in without affecting your APS allowance, as long as it's done in the same tax year.
- You can transfer your Legacy Cash ISA to another provider, but any funds withdrawn from your allowance are treated as previous years' subscriptions, so will no longer be flexible if you don't replace withdrawn funds before the transfer happens.

### Can I cancel my account?

- Yes, from account opening, you have 14 days to notify us. We'll refund your money or transfer your funds, plus any interest earned, to another provider without charge. However, transfers of APS allowances can't be cancelled once the transfer process has started.
- Your cancelled ISA won't count as an APS subscription, and you'll be able to use your APS allowance in another ISA.
- Interest that you've earned during this period will be paid gross, which means no tax is deducted.
- If you close your Legacy Cash ISA and withdraw the savings, you'll lose the tax-free benefits and any interest earned will be paid gross. It's your responsibility to pay any tax due, based on your individual circumstances.

### What if I'm new to Skipton?

- We'll require your National Insurance number, confirmation of address and some form of identification to open the account. If you're on the electoral roll for your current address, we may be able to verify your identification electronically. To do this, please call 0345 850 1722 and we'll let you know straight away if you've passed our checks.
- If we can't verify your identity electronically, you're not registered on the electoral roll or you're opening in branch, you'll need to provide proof of identity as set out in our 'Proving your Identity' document or at or at www.skipton.co.uk/help-and-support/savings-help in the 'Useful Documents' section.

## Further terms and conditions for our Legacy Cash ISA

### 1 Opening and managing the account

1.1 This account must be in your own name and not be held for the benefit of anyone else, including being used as security for a loan.

1.2 You and your spouse or civil partner must have been living together at the time of death, not separated under an order of court or a deed of separation, or not in circumstances where the separation was likely to become permanent.

1.3 If you hold a Power of Attorney for the person who is entitled to the APS allowance, you may open this account in their name on their behalf.

1.4 We'll operate the account in accordance with government legislation and HMRC regulations and guidance.

1.5 We'll satisfy ourselves that anyone we delegate our functions and responsibilities to under the terms agreed is competent to carry them out.

1.6 If you breach the ISA Regulations or become bankrupt, we may have to void the account. If this happens, we'll notify you. You may then have to pay tax on the interest earned. Where you've made payments which breach ISA regulations, we'll attempt to return payments to you. Where, after making reasonable efforts, we've not been able to return those funds, we may open a new easy access non-ISA account with a variable rate of interest to place those funds into.

1.7 If you die, interest due up to the date of death will be paid. From the date of death, the account will transfer to a new easy access Cash ISA with a variable rate of interest. It will be dealt with in accordance with HMRC regulations and guidance, and we'll advise your personal representatives of the new rate and terms of the account.

1.8 We won't automatically provide a passbook for this account. If you would like one, please ask in branch, by post or by phone.

- cheque, by post to our principal office or at any branch.

## 3 Savings account limits

3.1 All payments into the account are subject to account minimum and maximum amounts. You can't pay more money into the account than the maximum balance. The limit can only be exceeded with any interest added. If you make a payment into the account which will take it over the maximum balance, or the account doesn't meet the minimum opening or operating balance, we'll return the money to you.

3.2 £5 million is the maximum amount any one saver can hold across all their Skipton Building Society savings accounts. For joint accounts, we'll treat the total balance held within it as if it's split equally between each of the account holders for the purpose of calculating this balance only. For example, if you're one of two account holders on a joint account containing £1 million, £500,000 of that will count towards your personal limit. This means you can pay in up to £4.5 million in any other Skipton Building Society account(s).

## 4 Withdrawals and closures

4.1 You can withdraw from or close the account at any time without penalty.

4.2 Withdrawals are subject to the minimum operating balance, and we'll cancel any withdrawal that exceeds your cleared balance.

- transfer to another Skipton Building Society account in your name
  - this is subject to the terms and conditions of that account
- ISA transfer to another provider via our transfer service
- cash, in branch only

- this is subject to our daily withdrawal limits. You can find out what these are by visiting our website or contacting us

• cheque, in branch, by post or phone

- this is subject to our cheque withdrawal limits. You can find out what these are by visiting our website or contacting us.

4.4 If you instruct us to close the account, all the money in the account, together with interest earned, will be paid to you by the date you choose or within five business days of receiving your request, whichever is later. If you close your Cash ISA you will lose your tax-free benefits for previous or current years' ISA allowances, whichever apply at the time of closure, and you won't be able to replace this in the future.

4.5 You'll need to provide identification and a valid signature the first time you withdraw in branch. Acceptable forms of identification are set out in our 'Proving your Identity' document or at or at www.skipton.co.uk/help-and-support/savings-help in the 'Useful Documents' section.

4.6 Automated regular withdrawals will be carried out by electronic payment and can only be made to your nominated account(s) or a Skipton account in your own name.

4.7 Electronic withdrawal or closure requests for over £100,000 received after 3:30pm will be treated as if they were received by the Society the next business day. Therefore, your savings will continue to earn interest until the next business day. Business days exclude Saturdays, Sundays and bank holidays.

## 5 Interest

5.1 If you want interest to be paid to a different account, it must be a Skipton Building Society account or any other UK building society or bank account. The account we make payment to must be a nominated account in your name.

1) These Terms and Conditions govern the Skipton Building Society Members' Draw which runs from 30 September 2026 to 30 September 2027 ("**the Promotion**"). By choosing not to opt-out of the Promotion a member will be deemed to have accepted these terms and conditions. The Promotion consists of a series of twelve monthly prize draws, each a "**Members' Draw**". Eligibility is assessed separately for each Members' Draw. Entry is free and no purchase is necessary.

**Promoter**

2) Skipton Building Society of The Bailey, Skipton, North Yorkshire BD23 1DN ("**we**", "**us**", "**our**" or "**promoter**") is the promoter of the Promotion.

**Eligibility**

3) Each Members' Draw is **only** open to members of Skipton Building Society who at the Eligibility Date (see section 4 below):

   b) are resident in the United Kingdom (serving members of the UK Armed Forces see section 7 below);
   c) are the holder of: (i) an active Skipton Building Society savings account with a minimum balance of £100; and/or (ii) Skipton Building Society mortgage account with a minimum outstanding balance of at least £100; and,
   d) are not excluded from a Members' Draw under section 6.

   If a member meets all of section 3 above they are an **Eligible Member**.

4) The "**Eligibility Date**" is the date at which we check whether a member qualifies for a particular Members' Draw. Eligibility is assessed separately for each Members' Draw. **To be entered a member must meet the eligibility requirements set out in section 3 at 23:59 on the Eligibility Date for that Members' Draw, as set out in section 17**. If a member qualifies for one Members' Draw, they will not automatically qualify for future Members' Draws.

5) If a member has a joint account with another member which meets section 3(c) of the eligibility requirements above, each member may enter a Members' Draw in their own right. Section 13 provides further details on joint account eligibility.

6) The following individuals are not eligible to enter a Members' Draw:

   a) employees of the promoter;
   b) employees of group companies of the promoter including: Jade Software Corporation Limited Group, the Connells Limited group of companies, Skipton International Limited and Skipton Business Finance Limited;
   c) any member who is in breach of their account terms and conditions;
   d) those who are not resident in the United Kingdom;
   e) customers with Financial Advice products only;
   f) members with Permanent Interest Bearing Shares only (PIBS);
   g) nominated Attorneys or Deputies, unless a member in their own right;
   h) customers with partnership products only (e.g. Life Insurance and Home Insurance);
   i) operators e.g. parents managing children's accounts or trustee accounts unless a member in their own right;
   j) registered contacts for Junior Cash ISA or Child Trust Fund, unless an Eligible Member in their own right;
   k) deceased members or personal representatives;
   l) members with no known address;
   m) members who have opted out of the Promotion; and
   n) any member who does not satisfy the eligibility requirements in section 3.

7) For the purposes of section 3(b), a member serving in the UK Armed Forces will still be eligible if they are stationed or deployed outside the United Kingdom, provided they satisfy the eligibility requirements of these Terms and Conditions.

8) Eligible Members should ensure their personal contact details are up to date. Details can be updated in branch, by post, by telephone or through Skipton online.

9) We may require a member to provide proof they are eligible to enter the Promotion.

**How to enter and entries**

10) Eligible Members will be automatically entered into the Promotion, unless they choose to opt out.

11) Each Eligible Member will receive between one and five entries per Members' Draw based on their length of continuous membership, as set out in the table directly below. Length of continuous membership is calculated at 23:59 on the Eligibility Date before each Members' Draw. Entries are applied automatically and Eligible Members do not need to take any action to enter. Any reference to continuous membership in these Members' Draw - Terms and Conditions relates purely to this Promotion and not to voting or any other rights.

| Length of continuous membership | Number of entries for each Members' Draw |
|---|---|
| Less than 2 years | 1 |
| 2 years but less than 4 years | 2 |
| 4 years but less than 8 years | 3 |
| 8 years but less than 11 years | 4 |
| 11 or more years | 5 |

12) Eligible Members will therefore receive at least one entry per Members' Draw and additional entries if applicable, capped at a maximum of 5 entries per Members' Draw. An Eligible Member will not receive additional entries if they hold more than one savings and/or mortgage account - additional entries are only received through continuous membership.

13) Where joint accounts exist, each joint account holder can be entered into a Members' Draw individually, provided they meet the eligibility requirements set out in section 3 in their own right. Where a member holds an account in their sole name and holds an account jointly with another person, each member's continuous membership period will be calculated separately based on their own membership history with us. A member cannot rely on the membership history of a joint account holder or joint borrower when determining their continuous membership period for the purposes of the Promotion. For example, member A has been a member for 5 years through a savings account and jointly holds a mortgage with member B who has been a member for 15 years. For the purposes of the Promotion, member A's continuous membership period will be treated as 5 years and member B's continuous membership period will be treated as 15 years.

14) If an individual joined Skipton Building Society as a member before turning 18 years old, we will count their continuous membership from the date they first became a member. An individual can only be an Eligible Member for the purposes of a Members' Draw once they reach 18 years old and provided they meet the eligibility requirements in section 3.

15) The number of additional entries is limited to ensure the Promotion remains fair to all members.

**Entry period and draw dates**

16) The Promotion runs from 30 September 2026 to 30 September 2027 (inclusive).

17) There are twelve Members' Draws in the Promotion. The first Members' Draw takes place on 1 October 2026. Thereafter, each Members' Draw will take place on the 1st working day of each calendar month. If this falls on a weekend or on a Bank Holiday, the monthly draw will take place on the next available working day. Members' Draw dates and Eligibility Dates are set out below:

| Members' Draw | Eligibility Date (at 23:59)<br>This is the date we check whether a member qualifies to be entered into that month's Members' Draw. | Members' Draw Date |

| January 2027 | 31 December 2026 | 4 January 2027 |
| February 2027 | 31 January 2027 | 1 February 2027 |
| March 2027 | 28 February 2027 | 1 March 2027 |
| April 2027 | 31 March 2027 | 1 April 2027 |
| May 2027 | 30 April 2027 | 4 May 2027 |
| June 2027 | 31 May 2027 | 1 June 2027 |
| July 2027 | 30 June 2027 | 1 July 2027 |
| August 2027 | 31 July 2027 | 2 August 2027 |
| September 2027 | 31 August 2027 | 1 September 2027 |

18) Entries accrued in a month apply only to that month's Members' Draw and do not roll over to subsequent Members' Draws.

**Prizes**

19) There will be 8 winners per Members' Draw. Each month a Members' Draw will award: (a) 1 x prize of £25,000; (b) 2 x prizes of £10,000; and (c) 5 x prizes of £1,000. Prizes are awarded in this order. Prizes will be paid in pounds (£) sterling.

20) Prizes are non-transferable and cannot be exchanged and no alternative prize will be offered. We do not accept any responsibility for any costs which are associated with the prizes which are not expressly included in the prizes and any other costs incurred are the responsibility of the winner(s).

21) The Promoter is not responsible for any tax liabilities arising from the receipt of a prize.

**Winner selection and notification**

22) Winners and reserve winners will be selected at random from all Eligible Members for that Members' Draw using a secure, fair and verifiably random selection process. Prizes will be awarded to selected winners in the order they are drawn. Additional Eligible Members will be selected as reserve winners and may receive a prize if a selected winner is ineligible, cannot be contacted, declines the prize, or the prize cannot otherwise be awarded.

23) Winners will be notified within 30 calendar days of each Members' Draw taking place using the contact details we hold which will either be by phone, email, post or in person.

24) If the first contact with the winner is unsuccessful, we will make a minimum of 5 additional attempts over 180 calendar days either by phone, email, post or in person after the Members' Draw has taken place. If after this period, we have not been able to make contact with the member we will allocate the prize to the reserve winner for that Members' Draw.

**Payment of Prizes**

25) Once contact has been made with the winner, prizes will be paid within 30 calendar days into a UK nominated account, in the name of the winner unless instructed by the winner to make payment into a Skipton savings account, subject to account terms and conditions.

26) We may carry out verification and fraud checks, before awarding a prize**.** Should the winner wish to forfeit the prize, they can do so by confirming in writing to our Membership Team, within 30 calendar days from the date they are notified they are a winner, by emailing membersdraw@skipton.co.uk or sending a letter FAO The Membership Team (Members' Draw), Skipton Building Society, Principal Office, The Bailey, Skipton, North Yorkshire, BD23 1DN. We will then allocate the prize to a reserve winner.

27) A member who is deceased on the Eligibility Date will not be eligible. Where an eligible winner dies after the relevant Members' Draw, but before the prize has been awarded, the prize may be claimed on behalf of their estate by their personal representative. The personal representative must provide proof of their authority to act, such as Grant of Probate, Letters of Administration or Confirmation (in Scotland).

**Opt-Out**

28) All members can opt out of the Promotion at any time by completing an online form at www.skipton.co.uk/members-draw or by visiting one of our branches where one of our branch colleagues will complete the form for a member or a member can opt out by calling 0345 266 7751. Once a member has opted out of the Promotion, a member will not be able to re-enter it.

29) Members may opt out at any time. If we receive an opt-out request after the Eligibility Date for a particular Members' Draw, the member may still be included in that draw and the opt-out will take effect from the following Members' Draw. Members who have opted out will be excluded from all Members' Draws in the future and will not be able to opt back in.

**Withdrawal or Changes**

30) We may withdraw, suspend or amend the Promotion at any time where it is reasonable to do so, including for operational, regulatory or legal reasons. If a Members' Draw is suspended or cancelled, entries for that draw will lapse and will not roll forward unless we state otherwise.

31) Where changes are significant, we will take reasonable steps to inform members in advance.

**Decisions**

32) The Promoter's decision will be final (acting reasonably and in accordance with these Terms and Conditions) with regard to all promotional matters and no correspondence will be entered into.

**Publicity**

33) The surname and county of prize winners are available on request from 30 days after the Members' Draw has taken place, provided the winner has been identified and their details verified. These details will also be available in branch and on www.skipton.co.uk/members-draw. If a member objects to this, please let us know by emailing membersdraw@skipton.co.uk, we will still be required to provide this information to the Advertising Standards Authority on request.

**Data Protection**

34) Skipton Building Society is responsible for the use of members' data in relation to the Promotion. Personal data will be processed in line with our Data Privacy Notice, available on www.skipton.co.uk/privacy-policy. Members' data will be used for the purpose of administering the Promotion, including to:

    f) recover prizes in the event of a disqualification (see sections 41 and 42 Disqualification for more details); and
    g) handle queries and opt-outs relating to the Promotion.

35) The use of member data supports Skipton's legitimate interests to provide benefits to its members.

36) A member can opt out of the Promotion at any time (see sections 28 and 29 'Opt-Out'), if a member opts out we may still process that member's data including where required for legal, regulatory or fraud prevention purposes.
