Skipton Trustees as Estate Administrator

Estate Administration includes identifying the deceased's estate, applying for the confirmation and distributing the estate to the beneficiaries. The value of the estate for pricing purposes is determined as all assets, less any liabilities as at the date of death (excluding any mortgages).

The cost of administration is dependent upon the complexity of the estate and is always agreed with the Executor and, with the Executor's permission, the beneficiaries before any administration work progresses. This means that fees can be significantly lower than the maximum charge of 3.5% (+VAT) of an estate's value. Estate Administration services provided by STL are currently administered by '1825'.

	Fee to STL
Where STL are named as sole Executors.	£700 + VAT minimum, capped maximum 3.5% of the value of an estate + VAT (except in exceptional circumstances)
Where STL are asked to act jointly, as a substitute Executor, in part or as a fallback review e.g. review applications for confirmation rather than make the actual application.	£700 + VAT minimum, capped maximum 3.5% of the value of an estate + VAT (except in exceptional circumstances)
Renounce – that is legally no longer act as joint Executor (this requires a Deed of Renunciation).	£240 inc. VAT
Where STL are asked to act on a long-term basis, such as administering a trust on behalf of beneficiaries for a number of years or acting as Attorney (for continuing financial affairs only), STL will also charge on a fee basis for time spent, in addition to any fees above.	STL will charge a fee of up to 1% of the assets under administration. There is a minimum fee of £770 + VAT. This is charged on a per-annum basis and fees depend on the work involved in managing the Donor's assets or the complexity of the Trust. Work is usually charged on a time-spent basis. Once STL are notified they will allocate a case handler who will assess the Donor's or the trust's financial situation generally, with a view to understanding the extent of the administration requirements. STL will contact the Donor's bank and/or building societies etc. to notify them that STL are now acting as Attorney and that they should be sent all future correspondence.

Note: Where STL are named as substitute executor there is no charge unless STL are required to act.
