Further terms and conditions for our 45 Day Notice Account

1. What terms apply?

1.1 This document must be read with our Savings Account Terms and Conditions (which apply to all our savings accounts and are available on request or via our website). Before opening an account, we strongly advise for your own benefit and protection that you read all of the terms and conditions as you will be legally bound by them and we intend to rely on them. If you don't understand any point please ask for further information.

2. Operation of the account

- 2.1 You can only have this account for personal use by individuals or trustees for individuals. It isn't available to sole traders, partnerships, companies, associations (whether incorporated or not) or any kind of business.
- 2.2 If you wish to cancel your account, your 14 day cancellation period will begin either on the date your account is opened or the date you receive the terms and conditions, whichever is later.
- 2.3 You can cancel your account within the 14 day cancellation period by writing to us at our principal office address. We will then return all your money plus any interest earned.
- 2.4 The account opening date is the date that we receive your first payment. If we don't receive your first payment within 30 days of application, the account will be cancelled. We must receive your signed application form within 30 days of receiving your first payment. If we don't receive this your account will be closed and your money will be returned to you.
- 2.5 If you wish to have telephone access:
- you must be aged 16 or over
 - there is a maximum of two account holders and either account holder must be able to operate the account independently. For security reasons, if you open an account in your sole name and request telephone access, you won't be able to add an additional account holder later, but you'll be able to open a new account in joint names
 - a sole trustee, including a bare trustee for a child, may have telephone access
 - in the case of Attorneys, telephone access is not allowed; and whilst an Attorney is registered, an account holder can't have telephone access
 - we reserve the right at any time to withdraw telephone access entirely, where, in our reasonable opinion, it isn't viable for the service to continue. If this happens we'll give you 30 days' notice.

If any of your accounts is a joint account, the total balance held within it will be treated as if it is split equally between each of the account holders for this purpose only. For example, if you are one of three account holders on a joint account containing £9 million, £3 million of that will count towards your personal limit, meaning you can save up to £2 million in any other Skipton savings account(s). This limit can only be exceeded with any interest added to your account(s).
