

# 90 Day Notice Account Issue 8

## This account might be right for you if:

- you're happy with a variable interest rate that can go up or down
- you're happy to give us 90 days' notice to access your money or pay an interest penalty for access without giving notice
- you're happy with your interest being paid once a year.

## This account might not be right for you if:

- you want the security of a fixed rate that's guaranteed for a set amount of time
- you'd like easy access to your money without penalty
- you want to open and manage your account online.

## **Further terms and conditions for our 90 Day Notice Account Issue 8**

### **1. What terms apply?**

1.1 This document must be read with our Savings Account Terms and Conditions (which apply to all our savings accounts and are available on request or via our website). Before opening an account, we strongly advise for your own benefit and protection that you read all of the terms and conditions as you will be legally bound by them and we intend to rely on them. If you don't understand any point please ask for further information.

### **2. Operation of the account**

- 2.1 You can only have this account for personal use by individuals or trustees for individuals. It isn't available to sole traders, partnerships, companies, associations (whether incorporated or not) or any kind of business, club or charity.
- 2.2 If you wish to cancel your account, your 14 day cancellation period will begin either on the date your account is opened or the date you receive the terms and conditions, whichever is later.
- 2.3 You can cancel your account within the 14 day cancellation period by writing to us at our principal office address. We will then return all your money plus any interest earned.
- 2.4 The account opening date is the date that we receive your first payment. If we don't receive your first payment within 30 days of application, the account will be cancelled. We must receive your signed application form within 30 days of receiving your first payment. If we don't receive this, your account will be closed and money returned to you.
- 2.5 If you wish to have telephone access:
- you must be aged 16 or over
  - there is a maximum of two account holders and either account holder must be able to operate the account independently. For security reasons, if you open an account in your sole name and request telephone access, you won't be able to add an additional account holder on a later date, but you'll be able to open a new account in joint names
  - a sole trustee, including a bare trustee for a child, may have telephone access
  - if an attorney would benefit from telephone access, please contact us and we'll provide access if possible
  - we reserve the right at any time to withdraw telephone access entirely, where, in our reasonable opinion, it isn't viable for the service to continue. If this happens, we'll give you 30 days' notice.
- 2.6 The first payment into the account can be in cash (branch only), by cheque, debit card or transfer from another Skipton account. After opening, you can also pay in by electronic payment (but not Direct Debit) or standing order. Please note, postal accounts can only be opened by cheque.
- 2.7 Payments into your account by internal transfer from another Skipton account are subject to the terms and conditions of that account and in particular any notice period or restrictions on withdrawal.

### **3. Savings account limits**

- 3.1 The maximum balance can only be exceeded with any interest added to your account.
- 3.2 Electronic payments that don't comply with the minimum and maximum limits will be returned to their source automatically.
- 3.3 The maximum amount any one saver can hold across all of their Skipton savings accounts, for example, fixed and variable rates, including Cash ISAs, is £5 million. If any of your accounts is a joint account, the total balance held within it will be treated as if it is split equally between each of the account holders for this purpose only. For example, if you are one of three account holders on a joint account containing £9 million, £3 million of that will count towards your personal limit, meaning you can save up to £2 million in any other Skipton savings account(s). This limit can only be exceeded with any interest added to your account(s).

#### **4. Withdrawals**

- 4.1 You can only withdraw up to your cleared balance. We will cancel any withdrawal that exceeds this.
- 4.2 Withdrawals from your account, including closure, will be subject to the notice period or interest penalty and can be made by:
- cheque
  - cash (branch only), subject to daily withdrawal limits
  - electronic payments (including CHAPS but not Direct Debit) to up to two nominated UK bank details or building society accounts in your name(s). There is a fee of £6 if you request a CHAPS payment
  - transfer to another Skipton account in your name(s) (subject to the terms and conditions of that account).
- 4.3 Regular withdrawals may only be made to your nominated account(s).

#### **5. Payment of interest to another account**

- 5.1 Interest can be paid into another suitable Skipton account or other UK building society or bank account. In that case, interest will be paid on the first working day following the date your interest is due. Working days exclude Saturdays, Sundays and bank holidays.

#### **6. Non Payment Account**

- 6.1 This account is a savings account and must not be used for multiple monthly transactions like a current account. It isn't a Payment Account for the purposes of the Payment Services Regulations 2017.

#### **7. Membership rights & the Society's Rules**

- 7.1 This account is a share account which confers membership rights and is subject to the Rules of the Society. You can get copies of the Rules from our website, any branch or our principal office.

#### **8. Trustee accounts**

- 8.1 Where you open the account as trustee(s), you're responsible for understanding the nature of the trust that you are opening and managing in accordance with the trust document and/or the law (including taxation requirements), and for maintaining the required number of trustees at all times to operate the account. If you're unsure about these matters, you should see your own legal adviser or professional.
